This Professional Development day will focus on Jennifer Serravallo's Reading Strategies Book. Educators will develop an understanding of how to incorporate specific strategies for fiction and informational text.

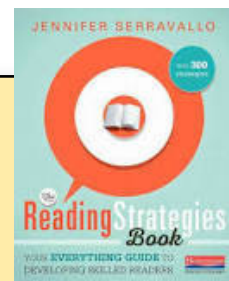

Goals for the day include:

- Build an understanding of reading strategies in the fiction areas of print work, plot, characterization and theme
- Build an understanding of strategies focusing on informational text and main idea, key details, text features
- Discuss how to integrate vocabulary and figurative language across all content areas
- Demonstrate effective use of anchor charts and explicit lesson language
- Utilize teacher prompts during instruction

Participants will receive a copy of *The Reading Strategies Book* by Jennifer Serravallo.

Teacher Standards:

2. Learning Differences
3. Learning Environments
4. Content Knowledge
7. Planning for Instruction
